SANREMOCORSE

15"

The master of gravel rally

SanremoCorse 15 is the 15-inch alloy wheel specialized in **gravel rally**.

The improved rim width is machined off-standard to accommodate WRC brake calipers and to allow the mounting of tires at the same time. The wheel can be machined in a **lightweight version for use on asphalt**, but it gives its best when used on gravel.

SanremoCorse 15 is a classic available since 2004, winner of many races in different categories, from group N to the most prestigious WRC and S2000.
